Report of Two Best Practices

Vananchal College of Science is regularly working with best effort for the benefits of students, staff members, as well as society in overall aspects. However, we are reporting our two best practices:

1. Green & Clean Campus:

We are committed to make the college campus as well society green and clean. In this regard we have done some outreach activity Like: Swachhata Pakhwada, Tree plantation, Water Conservation etc.

2. Use of ICT Tools in Education:

In Education, We feel that the ICT tools make our effort interactive, attractive and more understanding education. Students like the classes on ICT tools. In this regard we have collaborated with IIT Kanpur for virtual Classes. We increased the no. of computers in Computer laboratory. Classes are now converted in Smart Class, LCD projector etc.

Some of the Pictures of our best practices:
